Welcome to the ISSVA "Debates & Updates" 2027 Meeting!
The International Society for the Study of Vascular Anomalies (ISSVA) will host the hybrid "Debates & Updates" 2027 meeting Dublin, Ireland from 5-7 May 2027. Dublin is known for its friendliness, the music scene and nightlife, and is designated by UNESCO as the City of Literature.

The program will be a venue to present the latest updates in the field through case presentations, panel discussions, and debates. The 2027 meeting will provide a multidisciplinary forum for many specialties including interventional radiologists, dermatologists, hematologists, plastic surgeons, otolaryngologists, oncologists, pediatric surgeons, pathologists, nurses, and patient organizations. This meeting has a maximum capacity of 400 attendees.

Meeting History

- 2021 – Our first Debates & Updates meeting presented virtually, shared numerous cases and, despite the pandemic, attracted over 600 attendees
- 2023 – Boston had 287 in-person and 273 virtual attendees
- 2025 – Paris, our hybrid meeting had 426 in-person and 163 virtual attendees
- 2027 – We expect similar numbers from 2025 for our meeting in Dublin

We look forward to your participation to make this meeting a success!

2025 Meeting Demographics

The ISSVA Debates & Updates 2025 meeting had 48 countries represented by attendees. The three countries with the highest rate of attendance were the United States (36%), France (10%), and Canada (4%). 9% of the meeting delegates attended from 'emerging economy' countries.

There were 20 different specialties represented at the meeting, highlighting ISSVA's mission to be a multidisciplinary society. Specialties with the highest rate of attendance were surgery (combined) (23%), interventional radiology (16%), hematology/oncology (15%) and dermatology (15%).

There were 587 attendees (in-person and virtually) at the ISSVA Debates & Updates 2025 meeting. 48% of attendees were ISSVA members and 52% were non-members. 7% of people in attendance were students, fellows, or residents.

424 people attended in-person and 163 attended virtually. This is an 18% increase from the 2022 Debates & Updates meeting. It is the highest attendance on record for this meeting. 18 of the in-person attendees attended the meeting for one session, or one day. Attendance was 81% in-person and 19% virtual.
