GREAT LAKES BENEFACTORS

IAGLR's [Great Lakes Benefactors](#) value large lake research and demonstrate their commitment to the association through a significant annual contribution.

Benefactors receive multiple benefits including one of the conference packages noted above, plus additional benefits like IAGLR memberships.

Contact IAGLR Executive Director Jérôme Marty at jmarty@iaglr.org to inquire about sponsorship options.

The International Association for Great Lakes Research brings together scientists and other professionals to advance quality science about the world's large lake ecosystems. Our flagship event is the annual Conference on Great Lakes Research, held throughout locations in Canada and the United States. We also publish the *Journal of Great Lakes Research*, recognize excellence and promise through our awards and scholarships, and share compelling stories about science in our *Lakes Letter* magazine. Our members and conference attendees hail from many countries and disciplines. Together they create a vibrant community to learn about the latest discoveries in large lake science.
